- *Building community wellness.*

Integrity – *we value honesty, commitment and follow through.*

Efficiency – *we are focused and strive for simplicity and clarity in what we do.*

Inclusiveness – *we are inclusive and collaborative and support openness and transparency.*

The HUB at Cowichan Station – your new community gathering space!

Since Cowichan Station School closed in 2006, CSAA community volunteers have worked hard to earn the support of all levels of government, local businesses, granting agencies, and more to transform this historic site into a lively community gathering space.

Already we have gone from this...

To this!

The HUB is hopping! The gym/theatre, café Rec Room and Annex host community groups of all ages for fitness, arts, culture and more throughout the week, and a bustling public clay studio opened in 2014. All spaces are now wheelchair accessible and heated with energy-saving heat pumps!

Exciting plans for 2015 include:

- building an outdoor deck with seating and replacing the tiny kitchen roof adjacent to it (leaking – last roof to replace!)
