Build Community!**

MISSION

.....bringing neighbours together to promote the livability and sustain the natural environment and historic and cultural values of the Cowichan Station area by:

- Providing and maintaining the HUB community gathering place for arts, culture and recreation;
- Facilitating communication and information sharing;
- Providing a forum for discussing issues, concerns, and ideas;
- Developing a common vision and setting goals;
- Sharing the interests of the Cowichan Station area for local planning processes and to elected officials, government staff and others;
- Raising funds and leading specific projects to achieve our goals; and
- Building community wellness.

VALUES THAT GUIDE US

Faith – we have faith in our energy and grassroots capacity to make a difference.

Respect – we respect and gain understanding from one another.

Integrity – we value honesty, commitment and follow through.

Efficiency – we are focused and strive for simplicity and clarity in what we do.

Inclusiveness – we are inclusive and collaborative and support openness and transparency.

Non Partisan – we focus on the greater interest of the community and respect orderly democratic process.

Advocacy – we actively advocate for the common good of our community.

Sustainability – we understand and embrace a model of environmental, economic, social and cultural sustainability.

The HUB at Cowichan Station Your community gathering space!

Since the school closed in 2006, CSAA community volunteers have worked hard to earn the support of all levels of government, local businesses, granting agencies, and more to transform this historic site into a lively community gathering space.

We have gone from this...

To this!

The HUB is hopping!

- The Gym/Theatre, Café, Upstairs Rooms and Annex host fitness, arts, culture and more.
- The Clay Hub (2014) and Cowichan Community Workshop Co-op have skilled artisans.
- 2 beautiful newly renovated upstairs meeting rooms with gallery-class lighting.
- New Disc Golf course, Friday Cafe, Monthly HUB Film Club, Free Library.
- All spaces accessible and heated with energy-saving ground source heat pumps!

Plans for 2020 and beyond include: a pollinator garden, forest amphitheatre, new septic field, renovated Gym, outdoor cooking area, Maker Space...whatever the community imagines!
